ADVANTAGES COMING
WITH THE PACKAGE

HIGHLIGHTS

- 800 ft. wide frontage to catch maximum eyeballs everyday
- 6 lane expressway gives it the location advantage
- 2 minutes drive from proposed metro station enhances connectivity
- Surrounded by dense residential zone which increases catchment area
- Huge span of 8 Acres to give larger than life experience
- Advantage of width and depth comes naturally due to the unique shape of the property

HIGH-STREET SHOPPING TAKEN TO NEW HEIGHTS

Shopping in a high-street is an altogether different experience. To take this experience to another level, Reach presents AIRIA - a unique concept in high-street retail.

With more than 392 zonally arranged multi-branded stores, it pampers you with a comprehensive shopping choice. The beautifully designed spacious walkways and boulevard ensure that thousands of shoppers can comfortably walk around without any commotion.

The tensile structures for shading, along with water body in the centre play an important role in controlling the temperature. A smorgasbord of gastronomic delights, the multiple rooftop restaurants and open cafes at AIRIA cater to the most discerning taste. With some of the most happening bars and pubs, night-clubs, discs, DJ's , amphitheater etc, AIRIA offers a great night-life for indulgence. Whether you want to hang around with friends, enjoy soothing music under the star-lit sky or party hard till four in the morning at the disc, this place gives you the freedom to chase your heart.

It also makes the perfect venue for throwing away birthday parties, arranging high-profile social gatherings or organizing themed fetes. Also, the 3 screen High-Definition multiplex here makes a great escape for everyone.

Retail Goes High Street

THE MOST FUTURISTIC BUSINESS HUB

Make a leap to future with "COMERCIA". Based on a truly unique concept in space development, it has everything a business needs and much more. The vibrant environment makes work a pleasure here.

Anchored by International Business Centre chain, Comercia offers an advantage of totally state-of-art-facilities. In the well planned Comercia, all your business and property management needs will be taken care of by well-trained staff so that you can focus your energy on business plans rather than small worries of daily life.

Whether you need to catch a flight at the mid-night or leave for a meeting early in the morning, the in-house fleet of air - conditioned buses plying to the prominent locations and nearest Metro Station can be caught at any hour of the day. The reserved parking for radio cabs, make sure that you do not have to wait for them. Apart from this, there is an in-house travel desk that can arrange for your trips and stays.

Also, as business today cannot be imagined without an access to internet, the entire Comercia has a Wi-Fi connection, thus giving you and your business the freedom and flexibility of mobility. The office spaces here at Comercia are customized keeping in mind the specific needs of different business. So, whether you are an international enterprise seeking an address in India or a local business expanding its wings with a new branch, the variable space options available at Comercia allows you to find exactly what you are looking for!

STRATEGIC LOCATION
GREAT CONNECTIVITY

Connectivity is an advantage that's cherished and sought by all. Strategically located on the 6 lane Expressway, AIRIA & COMERCIA gives this advantage to all.

Just 15 minutes drive away from the international airport, 2 minutes from the proposed nearest metro station and also well connected through the arterial roads, the place can be easily accessed by one and all. Also, being in Gurgaon, the most futuristic city of the country, the project offers an added advantage of having a truly world - class environment in Vicinity.

- Main expressway ensures high visibility and connectivity
- Huge residential projects in neighborhood are under development
- Advantage of being on 6 lane expressway
- About 2 kms. away from the proposed metro station
- The road will be connected to KMP expressway in times to come
- Number of Institutes, Universities, Hotels and SEZs are under development in the vicinity

UPCOMING REACH PROJECT
